

Instructions for returning merchandise to Fluidx Ltd

Please print page 2 and 3 of this document.

Page 2 is the return delivery address and can be fixed to the outer package of the item to be returned.

Complete the name of the person who will be expecting the item, (If known) and the RMA number if it has not already entered.

This allows the item to be dealt with quickly through our "Goods In" area.

Please complete the decontamination form on page 3 and return this with the merchandise.
Items that arrive without a decontamination form could be held in quarantine and may delay the process of the repair, credit or replacement item.

If you have any questions regarding the return of items please email support@fluidx.co.uk or feel free to speak to a member of team by calling +44 (0)1625 861 614
